A. Polytechnic Colleges Corner :

Following Intranet Applications have been designed and implemented by the Tamil Nadu State Centre of National Informatics Centre to monitor the Polytechnic Colleges.

i) Institution Profile:

This Intranet application is designed to collect the essential details of about **390 Polytechnic Colleges** functioning all over the State under the administrative control of DoTE, Chennai, These details are to be updated by the respective Institution at regular intervals. Details on infrastructure facilities, contact details, student strength, staff strength etc. are collected.

ii) Staff Profile:

This Intranet application is designed to collect the essential details of about **16,000 Teaching Staff** of the DoTE working in various Polytechnic Institutions all over the State. Details like Qualification, Service, Teaching Experience etc. are collected through this software. These details are to be updated by the respective Institution at regular intervals.

Compiled data will be used to allot Examination related duties like Hall Superintendent, Invigilator, Chief Invigilator etc. to the suitable Staff based on the experience, qualification etc.

iii) Students Attendance Monitoring System:

This web application is being used by the "e-Governance Cell" of the DoTE, to monitor the Attendance Details of about **3.10 Lakhs Diploma Students** studying in about **390 Polytechnic Institutions** all over the State. Each semester is divided into 4 Spells. Spell-wise Attendance data of every student is to be entered by the respective Institution at the end of each spell. Duly signed hard copies of the Branch-wise Attendance Registers are to be generated from this software and to be sent to DoTE.
