

## Tamil Nadu Public Service Commission (TNPSC) *Online Registration*

### Objective :

Over 170 tests meant for Government servants as required under various service rules, including those of TNEB, TWAD & Chennai Metro water, are conducted by TNPSC every six months. This is also a fairly large piece of work as about 60,000 personnel take the exams every May and 25,000 every December.

This "ONLINE REGISTRATION" web application designed, developed and hosted by NIC Tamil Nadu State Centre as per the specifications prescribed by the Tamil Nadu Public Service Commission is the first of its kind in our country. TNPSC regularly conducts various Recruitment Examinations for the selection of suitable candidates to the posts in the Departments of Government of Tamil Nadu.

The screenshot shows the TNPSC Online Registration website. At the top, there is a header with the TNPSC logo on the left, the text "தமிழ்நாடு அரசு பணியாளர் தேர்வாணையம்" and "Tamil Nadu Public Service Commission" in the center, and "Designed & hosted by National Informatics Centre, Chennai" on the right. Below the header, there is a navigation bar with "TNPSC Website", "ONLINE REGISTRATION", and "Previous Years". The main content area is titled "YEAR 2010" and contains a button to "Download Information and Instructions to the Candidates". Below this is a table showing current online registrations for December 2010:

Month	Current Online Registration for... (Click to Apply Online)	Advt. No. (Click to view the Notification)	Status
Dec	Group I Services Recruitment Examination	257	Online upto 25 Jan 2011
	Combined Subordinate Services Examination I	258	Online upto 09 Feb 2011

Below the current registrations, there is an "ARCHIVES - YEAR 2010" section with a table of closed online registrations:

Mar	Curator and Asst. Curator Recruitment Examination
	Departmental Examinations May 2010

	Veterinary Assistant Surgeon Recruitment Examination
Jul	Combined Engineering Services Examination

The bottom of the screenshot shows a browser status bar with "Done", "Internet", and "100%".

In the normal mode, the candidates obtain the Application Forms for these recruitment examinations by sending the requisition letter to TNPSC along with the Application Fee. Then, they send the filled-up Application Form along with the necessary Examination Fee by post / courier.

To make this process simpler, TNPSC has decided to make use of IT tools so as to enable the Candidates APPLY ONLINE. By this process, TNPSC receives not only the hard copy of the signed application form along with Demand Draft/Postal Receipt for

Examination Fee and Photographs but also the electronic form of application form with all essential details. This process considerably reduces the data entry and verification time for the TNPSC.

As per the Input and Output Forms specifications, the first ONLINE REGISTRATION web application was designed, developed and hosted for the Departmental Examinations – May 2004 in the month of **March, 2004**. As the response for this initiative was very much encouraging, TNPSC extended this ONLINE REGISTRATION to different Recruitment Examinations, like “Asst. Medical Officers”, “Asst. Public Prosecutor”, “Veterinary Asst. Surgeons”, “Group IV Services”, “Village Administrative Officers”, “Health Officers” etc. Normally the Online Registration will be made available to the applicants for ONE Month period.

### **Features**

This is a web-based project, which captures the essential details of the Candidate applying to that particular Examination through an user-friendly form, assigns an Application No. and generates both the pages of Application forms in A4 size papers, with sufficient space for photograph, signature and postal receipt. Candidate can take the print out of these Application Forms. The Candidates have to send this duly signed Online Application Form and other document copies along with the Demand Draft or Postal Receipt towards the Application and Examination Fee and photographs, to TNPSC by post.

---

Hard copy of the filled-up Application forms can be generated any point of time by furnishing the Online Register No. and the Date of Birth of the candidate.

This web application has one “HELP” Corner with the documents like Instructions to the Candidates, Notifications in English and Tamil, Time table, Syllabus. The “FEEDBACK” corner enables the Applicants to send e-mails to the Controller of Examination to get clarified their doubts regarding the examinations.

---

### **Implementation Status :**

Till **31 December 2010**, **112 ONLINE REGISTRATION** projects have been successfully designed, developed and hosted by NIC-TNSC.
